## Armour Bright

### PRODUCT DESCRIPTION:

This white emulsion contains a blend of silicones and wetting agents to penetrate, renew, and protect a wide variety of surfaces including vinyl, leather, acrylics, thermo-plastic, plastic, etc. Helps repel dirt and grime while it provides protection against ultraviolet rays and atmospheric ozone. Environmentally safe and pleasantly scented, this product is the obvious choice for automotive maintenance and many other applications.

### DIRECTIONS FOR USE:

Remove dirt, grease, and grime with good cleaner and rinse thoroughly. Allow sufficient time to dry, then apply finish and protectant by spraying or by spreading over the surface. Allow sufficient time to penetrate (2-3 hours is best). Then buff off excess using soft clean cloth. Repeat application twice for best protection and as required to keep surfaces clean, glossy, and protected. **KEEP FROM FREEZING**

## DANGER

Keep out of reach of children. For industrial use only. Contains a Polydimethylsiloxane Emulsion. Water (CAS#7732-18-5) 2. 2-Oxybis-Ethanol (CAS# 111-76-6) and contents partially unknown. Avoid contact with eyes.

### PREVENTION

IF SWALLOWED: Drink 2 glasses of water or milk and induce vomiting by tickling back of throat with finger. Get immediate medical attention.

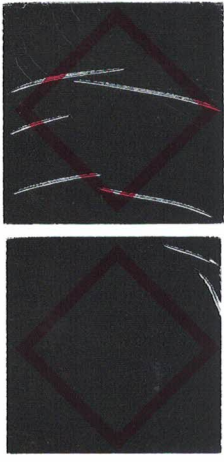

### FIRST AID

EYES-rinse opened eye for several minutes under running water. Then consult a doctor.

SKIN-rinse thoroughly with water, if symptoms persist, seek medical attention.

INGESTION-A person vomiting while lying on their back should be turned onto their side. **DO NOT** induce vomiting; immediately call for medical help.

INHALATION-remove victim to source of fresh air. If symptoms persist, seek medical attention.

NON-DOT Regulated      **Emergency Contact: Chem-Tel 1-800-255-3924**
